107	A06.07.004	Dental panoramic radiogram with a CD	526
108	A06.07.003	Spot-film X-Ray (intra-oral)	106
109	A06.07.012	Radiovisiography	380
110	A06.07.0012	Radiovisiography (re-examination)	143
111	A06.07.004	Dental panoramic radiogram (re-examination)	325
Anaesthesia			
201	B01.003.004.002	Block anaesthesia - Ultracain	147
202	B01.003.004.002	Block anaesthesia - Scandonest	140
203	B01.003.004.002	Block anaesthesia - Articaine	158
204	B01.003.004.002	Block anaesthesia - Septanest	140
205	B01.003.004.002	Extra-oral black anaesthesia (with anaesthetic agent)	242
206	B01.003.004.004	Topical anaesthesia	60
207	B01.003.004.004	Infiltration anaesthesia - Ultracain	147
208	B01.003.004.004	Infiltration anaesthesia - Scandonest	140
209	B01.003.004.004	Infiltration anaesthesia - Articaine	158
210	B01.003.004.004	Infiltration anaesthesia - Septanest	140
211	B01.003.004.004	Infiltration anaesthesia	95
212	B01.003.004.002	Block anaesthesia - Brilocaine	120
213	B01.003.004.004	Infiltration anaesthesia - Brilocaine	120
Therapeutic dentistry			
3001	B01.065.001	Initial dentist consultation	190
3002	B01.065.002	Follow up dentist consultation	95
3003	B01.065.005	Initial dentist hygienist consultation	190
3004	B01.065.006	Follow up dentist hygienist consultation	95
3005	B01.065.007	Initial dentist consultation	190
3006	B01.065.008	Follow up dentist consultation	95
3007	B04.065.002	Dentist preventive visit	190
3008	B04.065.006	Dentist preventive visit	190
3009	A02.07.003	Dental pockets examination with a perio probe	48
3010	A02.07.009	Amphodontogram	190
3011	A05.07.001	Tooth Electro odontometry	48
3012	A05.07.001	Apex location	190
3013	A11.07.010	Medication of dental pockets (Metragil denta)	218
3014	A11.07.010	Medication of dental pockets (Cholisal)	301
3015	A11.07.010	Medication of dental pockets (Collapan)	250
3016	A11.07.011	Injection medication of maxillofacial area	96
3017	A11.07.011	Injection medication (Traumel S)	134
3018	A11.07.012	Deep fluoride treatment	105
3019	A11.07.022	Application medication of mucous tunic of the mouth	95
3020	A11.07.022	Application medication of mucous tunic of the mouth (with medication - Tantum Verde)	130
Complex works			
3124	A1607.002	Dentin caries treatment with chem-composite filling	762
3125	A16.07.002	Dentin caries treatment with glass-ionomer filling	849
3126	A16.07.002	Dentin caries treatment with light-curing filling	1554
3127	A16.07.002	Dentin caries treatment with light-curing filling Estelite Asterior	1642
3128	A16.07.002	Dentin caries treatment with light-curing filling Enamel	1957
3129	A16.07.002	Deep dental caries treatment with chen-composite filling	902
3130	A16.07.002	Deep dental caries treatment with light-curing filling	2142

3131	A16.07.002	Deep dental caries treatment with light-curing filling Estelite Asterior	2230
3132	A16.07.002	Deep dental caries treatment with light-curing filling Enamel	2628
3133	A16.07.002	Light-curing filling of a tooth when treating of complicated caries	1677
3134	A16.07.002	Estelite Asterior light-curing filling of a tooth when treating complicated caries	1765
3135	A16.07.002	Chem-composite filling of a tooth when treating complicated caries	626
3136	A16.07.002	Glass-ionomer filling of a tooth when treating complicated caries	646
3137	A16.07.030	Pulpitis treatment of a 1-channel tooth	2109
3138	A16.07.030	Pulpitis treatment of a 2-channel tooth	3151
3139	A16.07.030	Pulpitis treatment of a 3-channel tooth	4194
3140	A16.07.030	Pulpitis treatment of a 4-channel (and more) tooth	5141
3141	A16.07.030	Periodontitis treatment of a 1-channel tooth	2114
3142	A16.07.030	Periodontitis treatment of a 2-channel tooth	3256
3143	A16.07.030	Periodontitis treatment of a 3-channel tooth	4399
3144	A16.07.030	Periodontitis treatment of a 4 (and more)-channel tooth	5541
3145	A16.07.027	Pulpitis first aid	639
3146	A16.07.092	Periodontitis first aid	1269
3147	A16.07.031	Tooth crown restoration with light-curing composite and titanium post	3235
3148	A16.07.031	Tooth crown restoration with light-curing composite Estelite Asterior and titanium post	3411
3149	A16.07.031	Tooth crown restoration with light-curing composite Enamel and titanium post	3544
3150	A16.07.031	Tooth crown restoration with light-curing composite and fiber post	3523
3151	A16.07.031	Tooth crown restoration with light-curing composite Enamel and fiber post	3962
3152	A16.07.031	Tooth crown restoration with light-curing composite Estelite Asterior and fiber post	3699
3153	A16.07.031	Postless tooth crown restoration with light-curing composite	2601
3154	A16.07.031	Postless tooth crown restoration with light-curing composite Estelite Asterior	2777
3155	A16.07.031	Postless tooth crown restoration with light-curing composite Enamel	3005
3156	A16.07.030	Medical treatment of a root canal	124
3177	A16.07.008.001	Canal sealing with Adseal paste	231
3178	A16.07.002.010	Gradia light-curing composite filling	920
3179	A16.07.002.010	Gradia light-curing composite filling with an isolation capping	1257
3180	A16.07.002.010	Gradia light-curing composite tooth restoration	1764
3181	A16.07.002.010	Sapphire light-curing composite filling	896
3182	A16.07.002.010	Sapphire light-curing composite filling with an isolation capping	1233
3183	A16.07.002.010	Sapphire light-curing composite tooth restoration	1707
3184	A16.07.002.010	Herculite light-curing composite tooth restoration	1697
3185	A16.07.002.010	Revolution Direct, Filitech-Flow Ultimate light-curing composite tooth restoration	1203
3186	A16.07.025.001	Sealant placement	77
3187	A17.07.003	Paradentium laser treatment	285
3188	A16.07.030.003	Temporary medicated filling of a root canal - Calcept	329
3189	A16.007.050	Professional teeth whitening - Opalescence 15%	5336
3190	A16.007.050	Professional teeth whitening - Opalescence 15% (mouth guard not included)	2919
3191	A16.07.002.003	Tooth restoration with glass-ionomer cement Ketac Molar ART	555
3192	A16.07.002.002	Tooth restoration with chem composite Composite Diamond	559
3193	A16.07.002.002	Tooth restoration with chem composite Composite Diamond and a mediation isolation capping	706
3194	A16.07.030	Canal calibration	450
3195	A16.07.019	Provisional teeth splinting	2340
3196	A16.07.019	Retainer arming	291
3197	A16.07.019	Gradia light-curing composite application while splinting	273
3198	A16.07.019	Gradia Flow light-curing composite application while splinting	107
3199	A16.07.030.003	Temporary medication filling of a root canal	60
3200	A16.07.002.001	Fuji cement tooth restoration	983
3201	A16.07.002.012	Spectrum light-curing composite tooth restoration	1715
3202			87
Dental Surgery			
4001	B01.068.001	Initial urgent-dentist consultation	190
4002	B01.068.002	Follow up urgent-dentist consultation	95
4003	A16.07.001.002	Tooth extraction - permanent tooth	285
4004	A16.07.001.002	Tooth extraction - two nearby teeth	570
4005	A16.07.001.003	Complicated tooth extraction	475
4006	A16.07.001.004	Partial bony tooth extraction	665
4007	A16.01.009	Tooth socket closure	190
4008	A16.07.095.011	Tooth socket packing	143
4009	A16.07.001.006	Primary dentition extraction (periodontitis)	190

4010	A16.07.001.001	Primary dentition extraction (odontolysis)	143
4011	A16.07.001.005	Partial tooth crown extraction	95
4012	A25.007.001.001	Mucous tunic medication	190
4013	A16.07.11	Intra-oral cut, draining	285
4014	A16.01.012	Extra-oral cut, draining	380
4015	A16.07.014	Ligation, draining	190
4016	A11.07.014	Neoplasms tap	95
4017	A16.07.013	Tooth socket curettage	475
4018	A25.07.01	Alveolitis conservative treatment	238
4019	A25.07.001	Conservative treatment of a surgery patient	143
4020	A16.07.058	Dental operculum extirpation	333
Corrective surgery			
4068	A16.07.042	Frenuloplasty	1140
4079	A16.07.054	Alpha Bio single stage screw implant implantation	12398
4080	A16.07.054	Alpha Bio dual stage screw implant implantation	14568
4081	A16.07.054	Implantium single stage screw implant implantation	13023
4082	A16.07.054	Implantium dual stage screw implant implantation	15193
4083	A16.07.054	Implantium Superline single stage screw implant implantation	14460
4084	A16.07.054	Implantium Superline dual stage screw implant implantation	16630
4085	A16.07.055	Bio gide use	15985
4086	A16.07.055	Bio oss use	10753
4087	A16.07.054	Implant extraction	1736
4088	A16.07.026	Alpha Bio Gum formator placement	2675
4089	A16.07.026	Implantium Gum formator placement	4287
4090	A16.07.026	Implantium Superline Gum formator placement	4325
General anaesthesia treatment			
4109	B01.003.001	Initial Anesthesiologist-Reanimatologist Consultation	260
4110	B01.003.002	Follow up Anesthesiologist-Reanimatologist Consultation	130
4111	B01.003.002	Premedication of an adult patient	550
4112	B01.003.003	Premedication of a child	805

6510	A23.07.002.001	Production of a cast metal tooth in a fixed prosthesis design	1503
6511	A23.07.002.048	Making a tooth acrylic	2013
6512	A16.07.002	Restoration of tooth filling (chipped crowns)	511
6513	A23.07.002	Production of artificial gums on a one-piece prosthesis design	691
		6. Ceramic-metal and metal-plastic prostheses (manufacturing of elements)	
6600	A15.07.002	Retraction overlay	90
6601	A23.07.002	Making garland for facing	360
		6.1. Cermets (MK)	
6602	A23.07.002.006	Constant value of cermets	2009
6603	A23.07.002.054	Production of a ceramic-metal crown	4895
6604	A23.07.002.049	Production of cermet tooth	4895
6605	A23.07.002	Production of artificial gums from cermets	1622
6606	A23.07.002	Production of shoulder mass from cermets	2162

		6.2. Metal composite (M / Comp)	
6607	A23.07.002.006	Constant metal composite	2009
6608	A23.07.002	Production of metal composite crowns	3839
6609	A23.07.002	Production of metal composite tooth	3839
6610	A23.07.002	Production of artificial gums from metal composite	2055
		6.3. Metal-free composite	
6611	A23.07.002	Making veneer composite	3587
6612	A23.07.002	Composite tab manufacturing	2235
6613	A23.07.002	Composite crown manufacturing	3587
6614	A23.07.002	Composite tooth manufacturing	3541
		6.4. Metal free ceramics	
6615	A23.07.002.006	The constant value of non-metal ceramics	2009
6616	A23.07.002.054	Making a ceramic crown e.max Press	8425
6617	A23.07.002.054	Making a ceramic e.max Press crown with e.max Ceram lining	11723
6618	A23.07.002.054	Production of ceramic veneer	8425
		7. Prosthetics on implants (manufacturing of elements)	
6700	A16.07.006	Installing an abutment (head)	2253
6701	A16.07.006	Attachment installation spherical	2253
6702	A16.07.006	Abutment Selection	180
6703	A16.07.006	Screw installation	90
6704	A23.07.002.072	Cap installation in a removable prosthesis	180
6705	A16.07.006	Production of a ceramic-metal crown on an implant	7985
		7.1. "Alpha Bio"	
6706	A16.07.006	Installation of titanium abutment Alpha Bio direct	5613
6707	A16.07.006	Installation of titanium abutment Alpha Bio angular	5613
6708	A16.07.006	Installation of titanium abutment Alpha Bio spherical	5613
6709	A23.07.002.072	Installation of a plastic cap 2.5 mm "Alpha Bio" for spherical attachment	1916
6710	A23.07.002.072	Installation of a plastic cap 2.5 mm "Alpha Bio" for spherical attachment with a titanium matrix	6105
6711	A23.07.002.072	Installation of a plastic cap 1.8 mm "Alpha Bio" for spherical attachment	1603
6712	A23.07.002.072	Installation of a plastic cap 1.8 mm "Alpha Bio" for spherical attachment with a titanium matrix	5792
		7.2. "Dentium"	
6713	A16.07.006	Installation of the abutment "Dentium" corner	10765
6714	A16.07.006	Installation of the abutment "Dentium" double	8480
6715	A16.07.006	Installation of the abutment "Dentium" cast	13508
6716	A16.07.006	Installation of the Abutment "Dentium" individually cast	12883
6717	A16.07.006	Sealing the crown shaft on the implant	954
6718	A16.07.006	Installation of the abutment "Dentium" temporary metal	6326
6719	A16.07.006	Installation of the abutment "Dentium" temporary plastic	4788
6720	A16.07.006	Installation of the abutment "Dentium" spherical	12674
6721	A23.07.002.072	Dentium Matrix Installation for Spherical Abutment	3546
6722	A16.07.006	Production of a one-piece crown on an implant	3300
